6 European Universities + 3 European Civil Society Organizations

Funded by the European Union

ONLINE WORKSHOP INVITATION:

"Building Bridges: How CSOs and Universities Can Work Together for Greater Impact"

The project "Service Learning 2.0: A Digital Ecosystem for University–Community Collaboration" aims to build a structured and impactful digital platform supporting universities and Civil Society Organizations (CSOs) in co-creating meaningful Service Learning (SL) experiences, we invite you to join an engaging online workshop dedicated to strengthening university–CSO cooperation through innovative digital approaches.

What to Expect

A collaborative workshop for CSO staff, workers, and leaders seeking to build or strengthen partnerships with universities with Service Learning

Content:

- Identify CSO needs and expectations to cooperate with universities
- Discuss how curricula can better prepare students for community service
- Explore tools and resources for CSOs to mentor students
- Define expectations for a platform connecting CSOs and universities
